Jung) (Paperback)** PDF, remember to refer to the hyperlink below and download the document or have accessibility to additional information which are highly relevant to SYNCHRONICITY: AN ACAUSAL CONNECTING PRINCIPLE. (FROM VOL. 8. OF THE COLLECTED WORKS OF C. G. JUNG) (PAPERBACK) book.

Princeton University Press, United States, 2011. Paperback. Condition: New. With a New foreword by Sonu Shamdasani. Language: English . Brand New Book. Jung was intrigued from early in his career with coincidences, especially those surprising juxtapositions that scientific rationality could not adequately explain. He discussed these ideas with Albert Einstein before World War I, but first used the term synchronicity in a 1930 lecture, in reference to the unusual psychological insights generated from consulting the I Ching. A long correspondence and friendship with the Nobel Prize-winning physicist Wolfgang Pauli stimulated a final, mature statement of Jung's thinking on synchronicity, originally published in 1952 and reproduced here. Together with a wealth of historical and contemporary material, this essay describes an astrological experiment Jung conducted to test his theory. Synchronicity reveals the full extent of Jung's research into a wide range of psychic phenomena. This paperback edition of Jung's classic work includes a new foreword by Sonu Shamdasani, Philemon Professor of Jung History at University College London.
