Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Comparative and Rational Christian Science If God should select you to deliver a message to his people, -what would you do with the message? Would you give it to the people as instructed, or keep it your self and copyright it, and sell it to the good people who thirst after Truth, charging them exorbitant prices? When you find. Any cult claiming to have a special revelation, which is the only truth that God has given his people, it is pretty safe to class them with impostors, but if you discover that they are using religion as work ing capital for accumulating wealth, then you can very easily render a decision. People who have never in vestigated the laws and power of suggestion are often misled when they learn of cures being effected by the different cults. The author will aim to prove, that cures are no proof whatever concerning the genuine ness of the philosophy advocated by the promoters of these cults. He will also aim to show how thousands of people who are suffering from mental and physical ailments, can be greatly relieved without surrendering their good common-sense to any false doctoring. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
