

John Quincy Adams Ward: Memorial Addresses Delivered Before the Century Association, November 5, 1910, Resolutions Adopted June 4, 1910 (Classic Reprint) (Paperback)

By New York Century Association

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from John Quincy Adams Ward: Memorial Addresses Delivered Before the Century Association, November 5, 1910, Resolutions Adopted June 4, 1910 How, beginning in a time still dominated by the insipidities of Canova, Ward arrived at the strength and simplicity of real classicism, remains something of a mystery. His best work soon assumed something of that massive equipoise and schematic simplicity which we see in the giant deities of the Olympia pediments. But Ward s style was fully formed before Ernst Curtius had rescued these masterpieces from the litter of centuries. In the time allotted to me no complete estimate of Ward s accomplishment is possible. Indeed we are still too near him to see him in critical perspective. Instead let me share with you two very keen impressions of his portraiture and ideal sculpture, impressions perhaps trivial in themselves, but mirroring] feel the quality of the artist and the man. Reviews

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.

-- **Ernestine Blanda**

It in a single of the best pdf. Better then never, though i am quite late in start reading this one. I realized this ebook from my dad and i encouraged this publication to understand.
