CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 24 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Due to feedback I need to make this perfectly clear. This is a way to make SURVIVAL PENICILLIN! DO NOT USE EXCEPT WHEN NO OTHER OPTIONS ARE AVAILABLE IN A LIFE THREATENING, CRITICAL, SURVIVAL SITUATION! This is simply an option in the event that NO OTHER OPTIONS exist! I hate to be LOUD but many people didnt understand that in the previous description. . Penicillin Made Easy is just that. Penicillin is a power antibiotic that has been around in one form or another since the beginning of time. This book tells you in a few simple steps how to make it yourself in a survival situation. Dont buy this expecting a long drawn out scientific way to make Penicillin. It is VERY simple if you know how and takes only one page of this guide up. The rest is other natural cures that have kept me glued together without many visits to the doctor for over 30 years. This is by no means a substitute for modern medicine however in a survival situation where modern medicine is not available, this knowledge is priceless and could quite possibly save your life. In addition to the one page it takes to tell you how to make Penicillin I have included several other natural cures including Colloidal Silver Made Easy and a few others. . . Enjoy good health. . . This item ships from La Vergne, TN. Paperback.
