Excerpt from *The Groves, and Lappan (Monaghan County, Ireland): An Account of a Pilgrimage Thither, in Search of the Genealogy of the Williams Family* It is not, strictly, a genealogy, and I do not call it such, for it is far from being complete, as I have been able to bring it down only to the seventh generation. But it has material which some one, in the future, with the requisite leisure and means, can weave into a complete history of the family, such as will do the latter a credit. These are simply preliminary notes, which I print in this shape, to save the labor of answering the numerous letters I have received, asking about the results of my researches in the old country. I offer them merely for what they are worth. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
