Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have got through within my own existence and could be the greatest PDF for ever.

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Urim and Thummim were the prescribed method of divination used in the Old Testament of the Bible, which the Tribes of Israel used to consult the LORD. The objective of this book is to provide a functional means of using the Urim and Thummim in conjunction with the Breastplate of Judgment to assist in the decision making process. The Judeo-Christian believer will find this method of divination superior to others, because it encourages the inquirer to use the Bible to develop solutions for life's problems. Like all forms of divination, it can be done for meditative or recreational purposes, or as a way of exercising the mind and improving in one's problem solving abilities. This book is structured to allow immediate use of the Breastplate of Judgment. After using the Urim and Thummim to select a Tribe of Israel, you can immediately turn to the corresponding chapter and begin analyzing the information to assist in the decision making process. Each chapter begins with a table that lists the blessings the tribe received from its mother, father, and Moses. General attributes are separated into positive (Urim) and negative (Thummim) qualities. Each of the sections in the table is then elaborated on further, followed by relevant information taken from the Pseudepigrapha Apocrypha. This book is structured to serve as a reference guide for utilizing the Breastplate of Judgment, but it can also be read from cover to cover to gain insight into the Twelve Tribes of Israel or to explore other concepts related to Judeo-Christian divination. To demonstrate that contemplative divination functions by using intuition and deductive reasoning in unison to evaluate abstract information against a set of criteria,...
