Thomas Nelson. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 8.4in. x 5.4in. x 1.0in. A definitive master work from the worlds leading Christian apologist. Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked: If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know? The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity—from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, *Beyond Opinion* is a touchstone that will affect Christians around the world. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
