SIXTEEN MONTHS AT THE GOLD DIGGINGS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sixteen Months at the Gold Diggings It is almost inconceivable what an excitement was produced upon nations and individuals by the discovery, less than four years since, of gold among the mountains of Upper California. Tides of human life soon set in toward this one point; currents here met, whirling and contending with increasing force; and, where all was silent and calm before, was heard the roar, and seen the violence and agitation of the maelstrom. The writer was for sixteen months employed in the gold mines, chiefly upon the American and Tuolumne Rivers and their tributaries. His reasons for compiling his notes and presenting them to the public may be briefly stated. It was the request of several friends that he would keep a journal of his mining life, exhibiting its lights and shades, its fortunes and misfortunes. This he did, jotting down from day to day the incidents as they occurred. Many mining companions, aware of this fact, requested him to prepare his journal for the press, that their friends might thus have a view of their circumstances and employments.
