

The Drift (Paperback)

Filesize: 5.28 MB

Reviews

This ebook might be worth a read, and superior to other. It is probably the most remarkable book i have got read. Its been designed in an remarkably straightforward way and it is merely soon after i finished reading this publication where really modified me, alter the way i really believe.

(Alex Zieme DDS)

THE DRIFT (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 2nd Edition, 2016. The Drift continues the adventures of the narrator from Parks first book, Dust of the Earth. Now a middle-aged ne er-do-well, he is rescued from boredom and debt by Eldon, a streetwise Ubermensch, who takes him to an old mine south of Tucson -- Eldon s refuge from society. They are joined by Eldon s girlfriend Vanessa, who befriends the narrator and, with Andy s permission, sometimes sleeps with him; and by Smeeg, an Asperger s genius who uses salvaged technology to make the mine livable. Nickie - a manipulative college girl from a wealthy family - later joins the group of misfits, sowing discontent and jealousy. Allied with Andy is a trio of American Indians who have taken to raiding drug smugglers passing through the arroyos near the mine. Looming over all of them is the Entity, a primordial god-like being, who is discovered in a cave after an accident in the mine. The Entity uses the misfits and Indians for his own purposes and, in the process, sets them on the path to a new existence. Nice guys finish last taken to an extreme. Debauchery and depravity explored through submissive and dominant behaviour in small human group hierarchies. Disturbing yet intriguing. I found it a page turner.A wet dream within a wet dream. Definitely pornographic. Fun in a voyeuristic way. - Kelly G.
