

We've Already Gone This Far: Stories (Paperback)

By Patrick Dacey

Picador USA, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. We've Already Gone This Far takes us to Wequaquet, Massachusetts: a town like many towns in America, a place where love and pride are closely twinned and dangerously deployed. In this stunning debut, Patrick Dacey draws us into the secret lives of recognizable strangers. Here, in small-town Massachusetts, after more than a decade of boom and bust, everyone is struggling to find their own version of the American dream: a lonely woman attacks a memorial to a neighbor's veteran son, a dissatisfied housewife goes overboard with cosmetic surgery on national television, a young father walks away from one of the few jobs left in town, a soldier writes home to a mother who is becoming increasingly unhinged. With a skewering insight and real warmth of spirit, Dacey delivers that rare and wonderful thing in American fiction: a deeply imagined book about where we've been and how far we have to go.
