FABER FABER, 2013. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This medley comprises three songs that speak of a journey through trial to eventual salvation and liberty. It should gradually gather pace and energy from a slightly more reflective start, though retaining a lively feel throughout. All My Trials developed into a popular protest song in the 1950s and 60s and has been recorded by, amongst others, Joan Baez, Paul McCartney and Elvis Presley. By and By is a more upbeat song with plenty of syncopated rhythms and more forthright dynamics---it should be sung and played with lots of energy. We end with I Want Jesus to Walk with Me, a true pilgrim journey full of trials and breaking hearts, but never giving up on hope and final deliverance. The tempo should really pick up for this final section, galvanized by the walking bass line and more jazzy harmonies, and reaching its climax in the final few measures. Faber Choral Singles offer a series of beautifully crafted arrangements in a diversity of musical styles for today s choirs. From Broadway, pop and folk to spirituals, gospel and original works, the Faber Choral Singles series guarantees the perfect repertoire for every occasion.
