Harvard Business Review Press Jan 2002, 2002. Buch. Book Condition: Neu. 248x168x27 mm. Neuware - Today's marketplace is fueled by knowledge. They provide guidelines to support communities of practice through their major stages of development, address the potential downsides of communities, and discuss the specific challenges of distributed communities. And they show how to recognize the value created by communities of practice and how to build a corporate knowledge strategy around them. Essential reading for any leader in today's knowledge economy, this is the definitive guide to developing...
