By Patty Atcheson Melton

Fix Bay Inc Publishing . Paperback. Book Condition: New. Paperback. 54 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Within these pages rests a lively and compelling coloring book that features images of 12 classic old Reno and Sparks motels most of which have literally been deteriorating before the eyes of the mystified or sometimes uncaring public in recent decades. Images of these so-called holdover structures, most which reached their peak in popularity during the mid-1900s, have been captured for time immemorial within this publication. Artist, graphic designer and author Patty Atcheson Melton issued her latest book here fresh on the heels of her 2012 memoir *Where Are All the Magpies*, which chronicles her continual travels with her immediate family along back-roads of the American West during the 1940s and 1950s. Every now and then someone tells me of how intrigued they are by these old motels, Patty said. So, naturally, the idea struck me that I should create a fun coloring book. This way I hope to enable today's children and adults to have a blast coloring images of a fading part of our past. Hopefully, these images will endure for many generations to come, so that people can always be able to use...
