By Cyd Penny

AUTHORHOUSE, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Veteran Key Largo police captain Jack Micelli is drawn into a shadowy world of south Florida Voodoo while investigating a series of suspicious deaths. Micelli finds himself joined in a search for the truth by a cast of unlikely characters including a dwarf stripper, a disillusioned friar, a grieving widow and an ex-con who thinks he can make himself invisible. Some are motivated by greed, some by a broken heart and some by greater purpose. None are prepared for the reality that they will find. A wealthy, but secretive conglomerate, Soul Equity, Inc. is preparing a global stock offering to buy equity in people's souls. They'll pay good money for all or part of a soul, and their slogan, You're not using it, are you? says it all. Is the company involved in the deaths in the Keys? Is there a connection between reality and the supernatural? Between good and evil? Or are they inseparable parts of the same thing? Micelli must find some answers, and he's running out of time. They all are.
