

## FOUL DEEDS & SUSPICIOUS DEATHS AROUND WORCESTER.

By Bradford (Anne)

Wharncliffe Books, 2008. Softcover / Paperback. Book Condition: New. No Jacket. First edition. New softcover. The criminal cases vividly described by the author take the reader on a journey into the dark secret side of Worcestershire's long history. The cathedral city and its surrounding countryside have been the setting for a series of horrific, bloody, sometimes bizarre incidents over the centuries. From crimes of brutal premeditation to crimes born of passion or despair, the whole range of human weakness and wickedness is represented here. There are tales of dark passion and betrayal, highway robbery and murder, riots and repression, public executions and instances of extraordinary domestic cruelty and malice that ended in death. The human dramas the author describes are often played out in the most commonplace of circumstances, but others are so odd as to be stranger than fiction. This grisly chronicle of the hidden history of Worcestershire will be compelling reading for anyone who is interested in the dark side of human nature. Illus., Bibliog. and Index. 73pp. New softcover.

### Reviews

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
