Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This read is prepared for leaders and those who aspire to be leaders in a 21st century information age that is skewed towards performance, excellence and perfection. Organisations are increasingly mechanised in a rigid and inhumane way to the detriment of leaders and those that follow them. In the book, Luthando makes a case for leaders to understand self first and move to a premise of love based leadership. This leadership is achieved through valuing people and exercising compassion, empathy and affection as a requisite to the uncapping of their potential. It all begins with consciousness and the mind. The book is written from years of experience and its wisdom is collaborated by renowned and celebrated authors, consultants and leaders all over the world. Each main aspect has been critically evaluated for maximum value and impact to every leader s thinking. It brings into perspective novel, neglected and native ideas of leadership in organisations in a 21st century light for leadership realignment and focusing. As a leader, you should expect a renewal of mind into the consciousness of the 21st century.
