

Kisses for Laura (Paperback)

By Joan Schmeichel

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Set against a backdrop of poverty, Kisses for Laura takes us to a time in America s history when the future seemed to promise little. Seen through the eyes of a child, however, small details loom large, and almost anything is possible. This is a story of hope, written with clarity and empathy for a girl who is wryly self-aware of her own foibles. In true Dickensian spirit, it might be called an update on A Christmas Carol. -Judith Kitchen, author of The House on Eccles Road.
