By James Mortimer

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Chess Player's Pocket-Book, and Manual of the Openings The design of the chess player's pocket-book is to supply, in a compendious form, a handy-book of reference for the use of Chess players. Even the magnates of Chess grow occasionally rusty in some of the more intricate variations and it is hoped that they may now and then find the pocket book of utility; whilst less experienced players, by studying its pages, will be enabled to fortify themselves in all the customary modes of opening the game.
