Headline Publishing Group, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Karin Slaughter has called Julia Keller a rare talent and Dennis Lehane has praised her remarkable writing . Now Bell Elkins returns. His body was found mutilated on the outskirts of the town he was there to help. Who killed him and why?A high-end resort being built on the outskirts of Acker s Gap, West Virginia, a town desperate for jobs and prosperity, should have been welcome. But following the Buffalo Creek disaster of 1972, where a coal company s mistake tragically claimed the lives of many Raythune County s citizens, opinions and tensions are running high. When Ed Hackel, Mountain Magic s marketing manager, is found brutally murdered, suspicion quickly falls on Royce Dillard. An acknowledged loner orphaned by the disaster, Dillard had made his opposition clear by refusing to sell a parcel of his land deemed critical by the developers for access to the resort. With all evidence pointing to Dillard, Bell Elkins, the County s prosecuting attorney, feels she has no choice but to charge him. When a person dies his last ragged breath always tells the truth -- but is the truth always what it seems to be?.
