

Big Bets and Black Swans 2014: A Presidential Briefing Book

By Ted Piccone, Steven Pifer, Thomas Wright

Brookings Institution. Paperback. Book Condition: new. BRAND NEW, Big Bets and Black Swans 2014: A Presidential Briefing Book, Ted Piccone, Steven Pifer, Thomas Wright, President Obama has just three years left in office to define his legacy in world affairs. He's facing a number of critical challenges - the ongoing war in Syria, the Iran nuclear negotiations, an enigmatic North Korea and other significant crises in world affairs. The president's advisors are busy devising policy recommendations aimed at grappling with these thorny issues. From these, the president must decide which priorities to pursue and how to best exercise U.S. power and influence to manage and shape the global order. This book presents a set of policy analysis and recommendations from The Foreign Policy scholars at the Brookings Institution. Designed to provide the White House with innovative and actionable policy initiatives, the book is constructed as a series of memos to President Obama. This year, the memos are divided into five categories: Big Bets are issues where the president should consider investing his power, time and prestige in major efforts that can have a transformational impact on America and the world. Double Downs are derived from the Big Bets from last...
