Reviews

Very good e book and useful one. it was actually writtern extremely properly and useful. I found out this pdf from my i and dad recommended this publication to discover.

(Heloise Wiegand)

SURRENDER: APPEASING ISLAM, SACRIFICING FREEDOM

Random House USA Inc, United States, 2010. Paperback. Book Condition: New. 200 x 130 mm. Language: English . Brand New Book. WITH A NEW AFTERWORD In his controversial and critically acclaimed *While Europe Slept*, Bruce Bawer outlined the danger that Islamic immigration posed to traditional European values. In this provocative follow-up, he takes up the West's recent trend of silence and appeasement in the face of cultural intimidation by radical Islam. From an examination of coverage of the shocking murder of Dutch filmmaker Theo Van Gogh to the widespread denunciation of the Danish editors who published editorial cartoons mocking Mohammed, Bawer shows how radical Islam has cowed Western media, politicians, intellectuals, and religious leaders into believing that we must give up the right of free expression to peacefully coexist with the Muslim world. Fearless and excoriating, *Surrender* is an unapologetic and uncompromising defense of free speech that will stir conservatives and liberals alike.
