Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This 4-week devotional for women offers a unique perspective from the daily life of a mom of six, a full-time caregiver, and a crazy cat lady all rolled up into one person. Oftentimes in life, our biggest problem comes from the angle we re looking at things. When we straighten out the perspectives, in our own minds, we might just see the solution readily available. That s why our perspective should always be guided by the Bible. God s Holy Word is the only straight angle that will keep us in the proper perspective. We all need to periodically check ourselves to see if we re still on that right perspective. That s what this book is about - a check on the angle.
