## STILL MINE

Touchstone. Paperback. Condition: New. 320 pages. A taut psychological thriller in the vein of *The Good Girl* by Mary Kubica. Clare is on the run. From her past, from her husband, and from her own secrets. When she turns up alone in the remote mining town of Blackmore asking about Shayna Fowles, the local girl who disappeared, everyone wants to know who Clare really is and what she's hiding. As it turns out, she's hiding a lot, including what ties her to Shayna in the first place. But everyone in this place is hiding something from Jared, Shayna's secretive ex-husband, to Charlie, the charming small-town drug pusher, to Derek, Shayna's overly involved family doctor, to Louise and Wilfred, her distraught parents. Did Shayna flee? Was she killed? Is it possible she's still alive? As Clare uncovers the mysteries around Shayna's disappearance, she must confront her own demons, moving us deeper and deeper into the labyrinth of lies and making us question what it is she's really running from. Twisting and electrifying, this is a get-under-your-skin thriller that will make you question what it means to lose yourself and find yourself in the most unlikely places. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
