Girls Club. I hadn t even realized the bad space I was in until she showed me that there was another way to be living my life now-regardless of what the numbers on the scale tell me. And isn t it crazy how much those numbers can effect our mood? Now, I m fully onboard and determined to change my life, regardless of what Joe-he s my boyfriend-says. He ll either support the changes I m making.or not. Zara s promised to help me through that regardless of the outcome. (Okay, so I ll admit.the idea of losing Joe terrifies me more than a little, but I ve got to be honest with myself) For now, I m committed to being better and stronger every day-like all the members of the B.I.G Girls Club, I m committed to being Bold, Inspired and Genuine with myself and with you. And for what I m about to attempt, I can use more cheerleaders around me. Us girls need to stick together!.
