Reviews

Absolutely one of the best pdf I actually have possibly read. Better then never, though i am quite late in start reading this one. I realized this book from my dad and i encouraged this ebook to discover.

Munshiram Manoharlal Publishers Pvt. Ltd., New Delhi, India, 1999. Paperback. Book Condition: New. Dust Jacket Condition: New. Reprint. Buddhist India portrays ancient India, during the period of Buddhist ascendancy, from the non-Brahmin point of view. This study is based on the literary, numismatic and inscriptional records, and throws light on points hitherto dark and even unsuspected. This work is divided into sixteen chapters and presents a detailed account of the socio-economic, geo-political and ethico-religious conditions of the country. It describes at length the history of the kings, clans, nations vis-à-vis their role in the growth and spread of Buddhism. We get a clear perspective of the activities of Candragupta, Asoka and Kaniska-the principal characters in this performance. The Buddhist and kindred literature both in Pali and Sanskrit, with special reference to the Jatakas has been thoroughly exploited for this purpose. Printed Pages: 347. Size: 13 Cms x 19 Cms.
