Reviews

It in one of my personal favorite book. Sure, it is engage in, continue to an amazing and interesting literature. I am quickly could possibly get a enjoyment of looking at a published book.
(Wellington Rosenbaum)

ESTHER THE ANCHOR YALE BIBLE COMMENTARIES

Yale University Press. Paperback. Condition: New. 192 pages. Dimensions: 9.0in. x 6.2in. x 0.5in. Esther, the biblical book named after the beautiful Jewish woman chosen by the Persian King Xerxes to be queen, is a story of love, political intrigue, and religious faithfulness. Carey A. Moore combines his treatment of scholarly issues with an engaging explanation of the popular Jewish festival of Purim. One of three biblical books named after women (Esther, Ruth, Judith), Esther reads like a novel, with its fast-paced, action-packed story. Drawing on ancient tales of court intrigue and midrashic sources, the author captivates the reader with the story of Queen Esther, her uncle Mordecai, King Xerxes, and the royal court's villain, Haman. The story not only entertains, it also explains the origins of the Jewish festival of Purim. Moore deftly deals with the scholarly issues peculiar to this book without sacrificing his sensitivity to its literary quality. The uncertainty that Esther should be included in sacred Scripture stems from its apparent lack of religious elements, its absence at Qumran, and its questionable historicity. Moore takes up these issues, carefully explaining and weighing prevailing scholarly theories before registering his own conclusions on the origin, date, and purpose of the book of Esther. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
