Eibonvale Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Krampus is a horned, anthropomorphic figure of legend with a classic half-goat half-demonic appearance. The night of the 5th December is Krampusnacht, when this hairy devil appears on the streets - on his own or accompanying St. Nicholas, but always carrying a bundle of birch twigs ready to punish those who have misbehaved. At least, that s how the folk-festivals that take place across Europe go. The truth may be stranger still. This is a sharp and intelligently written horror story that delves deep into seasonal mythology and folk legend. An atmospheric and chilling tale of the dark side of the winter season.
