MATH ON THE JOB: KEEPING PEOPLE HEALTHY

Crabtree Publishing Company, United States, 2016. Paperback. Book Condition: New. 249 x 198 mm. Language: English . Brand New Book. A patient s infected insect bite has doubled in size overnight. Can math help you determine an effective treatment? This exciting book makes you a math problem solver by putting you into situations faced by people who work in health care. Math is an important part of the job for medical doctors, registered nurses, and care aides. Three exciting stories lead to a problem you must solve using math. A toolbox section helps take you through similar examples and provides math exercises you can do that will help give you a better understanding of how to solve the problem in the story.
