Michael Gresham

By John Ellsworth

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Found not guilty but kills again? And you got him off? Michael Gresham is a criminal attorney with a brother who won't take his meds, an ex-wife who wants him to finance her fertility costs, and a client accused of murdering the wife of a judge. As the story progresses, the brother is being hunted down by MexTel, a huge conglomerate that wants him dead, and the ex-wife's new husband wants to borrow money, while the judge whose wife was murdered suddenly tries to hire Michael Gresham for himself. Can an attorney who feels like he's slowing down with age (55) still succeed in court against younger, more aggressive lawyers? Can Michael Gresham turn the tables on those who would see him dead? And who is going to pay him for the injury and disfigurement they caused him? One innocent client who looks more guilty with each new violent act. Watch up close as a young defendant who many thought to be low IQ begins to emerge from his silence and withdrawal to become a powerful force that finally must be dealt with....

Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

-- **Mr. Jeramy Leuschke IV**

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom Its been designed in an exceedingly simple way and is particularly simply following i finished reading this publication through which actually modified me, alter the way i really believe.

-- **Bernhard Russel**
