Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As a boy in probably 1972 while looking at the Moon using a small backyard telescope suddenly by complete lucky chance I saw a fantastic astronomical object cross down through between the Earth and the Moon. The crossing Object eclipses the Moon. When the Moon emerges out from behind the crossing Object it s light has been drastically changed in appearance and behavior by the speeding Object s powerful forces. Shadows are cast from the vertically standing crater rim pieces on the crossing Object s surface into the Moon s Changed and Lasting Light. Incredibly the the primordial human form is created within the Moon s Changed and Lasting Light. Part of the incredibly stunning ancient mystery is why are we humans exact copies of a shape that is light? It turns out that this is exactly what happens and soon the people of the world will see and know this for themselves because the incredible fantastic Object of the Crossing Down is nearing orbiting home to it s special crossing point between the Earth and the Moon. I believe the the Object was observed and reported May 24, 1926. I think that I may have seen the Object on the night of May 25, 1972. There are 46 years and 1 day between these two dates. 46 years and 1 day after I think that I saw the Object it will be May 26, 2018. No matter what sooner or later the Object I saw and describe in this book and in the Return Viewer s Guide will return and the sights that I saw and the Changed and Lasting Light event that I describe will happen again exactly...
