REAL DRIVERS GUIDE TO BEATING THE SPEED CAMERA (PAPERBACK)

Pointless Publications, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you really want protection from the speed camera? Have you ever thought about improving your own driving skills but didn't because of the time or expense? Would you like fewer people killed and injured on our roads? If the answer is YES to all these questions then you're in the right place. There is no better protection from the speed camera and reducing casualties on our roads than the motorists' own skill and judgement. Over the years we motorists have allowed our standards to slip which is why so many of us get caught out by speed cameras each year and why thousands are involved in serious, life-changing collisions, but it doesn't have to be this way. We can enjoy motoring without causing casualties and avoid punishment at the same time. So why Real Driver? because we are going to use real driving skills to beat the speed camera with not a gadget in sight. The Real Driving exercises are going to take six weeks for you to master. Question is, are you up for the challenge?.
