Having had precognitive dreams since a child, she is guided by her dream mentor, Izacal and undertakes many adventures. Her journey starts in the Caribbean, where she is shown a view of humanity from time began to the present day, events that will change her life forever. On returning home, Chiane along with her old friend, Dusty, set off on their travels again, this time in Mexico, deep in the jungle of the Yucatan, where the pair find themselves involved in intrigue and mystery that nearly costs them their lives. Leaving Mexico, they are given a task to fulfil, to deliver an object to its rightful keeper and in doing so they learn the truth about the ancient Mayan 2012 Prophecy. Their journey takes them through the mountains of North America, where they believe their adventure will end. But will it! Join Chiane and Dusty as they discover the future of Humanity.
