Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I was eleven years old when my father first decided to run away with the bank s money, it was the first of many times. When he ran we all had to run, all of his seven children, we ran for three years, three years of indescribable shame and embarrassment, living on the road in whatever we had, caravan, tent, chicken shed we tried them all until the church stepped in to help.When I started work I met Pat, I first saw her when I was 15 years old, she did not know I existed for the next two years although I saw her every day, she was my strength and my sanity for 36 years, she suffered with depression for many years and her life was not easy. When I was 19 I joined the Police force in Brighton, after two years I was prosecuted for perjury, an offense with a maximum sentence of 14 years in prison, I had a young baby, a new wife and looking at a 14 year stretch, how would they survive without me? I was always a gambler, winning and losing millions of dollars, I would win over a million dollars in a week and then lose it all the next week, over the years it was good to me and it bought Pat many nice gifts. We left England for Australia in 1986, we settled in Perth, Western Australia, a magical place and a place that helped Pat with her depression for a while, until it resurfaced a few years later and set her on a downward path with no end in sight. My choice of job when I left..
