SPIDER IN THE TOMB: AN EASTER STORY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is based on information given in the four gospels of the Bible at the time after Jesus s crucifixion to the opening of the tomb with a living Christ. The gospel versions vary in details but the main theme supports Jesus resurrection from the dead. Nobody knows what happened inside the tomb before the stone was rolled away but this story attempts to portray a fictional version of those events entwined, with present day archeology, environment and natural history common to this region. The happenings are witnessed through the eyes of a tiny spider whilst living at the entrance of the tomb and follows the journey of Jesus to life everlasting.
