This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Birlinn General. Paperback. Book Condition: new. BRAND NEW, A Very Civil People: Hebridean Folk, History and Tradition, John Lorne Campbell, In his long scholarly career, the late John Lorne Campbell published sixteen books and a large number of research articles in the field of Celtic studies. Taking as its title the words of Edward Lhuyd (1660 - 1709), whose original work on the Highlands and Islands Campbell has done much to reinstate, A Very Civil People is the only volume of his essays and short articles. Written for the most part between 1935 and 1975, it reflects the full range of his interests and his own diverse and thorough scholarship. Working from within the tradition, with a sound knowledge to the language, its evolution and cultural milieu, Campbell saw himself as 'setting the record straight' on Highland and Hebridean history. Here he writes authoritatively on the history, language and literature, oral narrative and tradition, poetry and song of the Hebrides, but his methodology, interpretations and conclusions offer lessons for the wider study of Highland, Scottish and British history.
