

CIOs at Work (Paperback)

By Edward Yourdon

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2011. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. In CIOs at Work, noted author Ed Yourdon interviews many of the world's most influential chief information officers. You will gain insights from the first CIO of the USA, take a peek into the future with the CIO at Google, learn the unique role IT plays in testing Microsoft applications, and much more. Yourdon focuses on how his interviewees tackle the day-to-day work of managing information in their organizations while revealing much more: How they got there, how they manage and allocate resources, and how they interact with business units and assure that their companies take advantage of technologies and automation to make employees even more productive. Surveying a variety of unique corporations, you'll get a great sense of what can be done and what is being done now in organizations around the world. Simply put, Ed Yourdon's CIOs at Work is a fascinating read. The author has managed to illuminate the real challenges confronting the Chief Information Officer. The technical expertise of his extraordinary interviewees and their personal insights into the changing role of technology in...
