Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

Penguin Books Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Number one best-seller Jane Green - author of Babyville and The Love Verb - explores the hectic life of a single career girl looking to find love in her hilarious first novel Straight Talking. This could be about your best friend. Or your girlfriend. Or it might be about you. Are you Tasha - single and searching? Or her best friends: Andy, hooked on passion; Mel, stuck in a relationship with a bastard; or Emma, endlessly waiting for her other half to propose? Do you know an Andrew - suave, good-looking and head over heels in love . . . with himself? Or a Simon - allergic to commitment and dangerously treacherous? Or even an Adam - handsome, kind, humorous, but too nice to be sexy? Follow them all in their journey to find fulfillment and love. Funny, honest, superb Company Any woman who's suffered a relationship trauma will die for this book. Wickedly funny, will make you squeal with laughter Cosmopolitan Visit Green's novels, including The Other Woman, Jemima J., Babyville, Girl Friday (published as Dune Road in the USA), Life Swap (Swapping Lives), Spellbound (To Have and to Hold), The Beach House, Second Chance, Straight Talking, The Patchwork Marriage (Another Piece of My Heart), Mr. Maybe, and Bookends are as moving as they are funny and have achieved best-seller status internationally.
