The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

And Other Stories, United Kingdom, 2012. Paperback. Condition: New. Repr.. Language: English . Brand New Book. 2012 MAN BOOKER PRIZE SHORTLISTED. Swimming Home is a subversive page-turner, a merciless gaze at the insidious harm that depression can have on apparently stable, well-turned-out people. Set in a summer villa, the story is tautly structured, taking place over a single week in which a group of beautiful, flawed tourists in the French Riviera come loose at the seams. Deborah Levy s writing combines linguistic virtuosity, technical brilliance and a strong sense of what it means to be alive. Swimming Home represents a new direction for a major writer. In this book, the wildness and the danger are all the more powerful for resting just beneath the surface. With its deep psychology, biting humour and deceptively light surface, it wears its darkness lightly.
