A Token of Elegance: Cigarette Holders in Vogue (Hardback)

Filesize: 3.12 MB

Reviews

Basically no phrases to spell out. It is actually rally interesting through studying time. You can expect to like just how the article writer create this publication.

(Braden Leannon)

A TOKEN OF ELEGANCE: CIGARETTE HOLDERS IN VOGUE (HARDBACK)

Officina Libraria, Italy, 2015. Hardback. Condition: New. Language: English . Brand New Book. The book offers an unprecedented look at cigarette holders through a selection of approximately 125 pieces from the collection of Carolyn Hsu-Balcer. Its introductory essay is both a social history of that world-changing leaf, tobacco, and a design history of its accoutrements. It examines the history of smoking from its pre-Columbian roots in the Americas through to the present-day worldwide e-cigarette craze, taking the reader on a journey from tobacco smoking as a sacred ritual, through the controversies of its worldwide spread, and the machine-rolled cigarette s role in the world wars and as a tool for European and American women s equality. Following the illustrated essay is a luxurious catalogue of newly commissioned photography that makes these diminutive objects pop off the pages with brilliant colour and form. The collection includes cigarette holders in their simplest incarnations - the disposable promotional holders given away at trendy New York nightclubs - to their most exquisite - the work of Faberge, Cartier, Tiffany, Van Cleef Arpels, and other renowned jewellers of the late nineteenth- and twentieth-centuries.Carolyn Hsu-Balcer is a designer, philanthropist and art collector based in Los Angeles and New York. She has organised ground-breaking art exhibits including Xu Bing Tobacco Project (VMFA), Light Before Dawn (Asia Society Hong Kong), Blooming in the Shadows (China Institute), and Oil and Water (MOCA NY).
