Little, Brown Book Group, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Sometimes it can feel like there s a gap between what we plan or hope for in our lives and the reality we re faced with - a so-called reality gap . Sometimes it s a startling reality gap caused by the death of a loved one, for example, or a serious illness, a freak accident, divorce or the loss of a job. Sometimes it s a little gentler: envy, loneliness, resentment, failure, disappointment or rejection. But whatever form your reality gap may take, one thing s for sure: it can cause us great distress. Based on the scientifically proven mindfulness-based approach called Acceptance and Commitment Therapy (ACT), this self-help book will teach you how to cope effectively when life hurts and you will learn not only how to survive life s unexpected curve balls, but also how to thrive, despite them.
