## EVERYBODY S STORY: WISING UP TO THE EPIC OF EVOLUTION (PAPERBACK)

State University of New York Press, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a compelling read for anyone interested in where we came from and where we re going, Everybody s Story offers an exhilarating tour of natural history that illuminates the evolution of matter, life, and consciousness. As old myths, religious stories, and other shared narratives of humankind are increasingly viewed as intellectually implausible and morally irrelevant, they become less likely to fulfill their original purpose--to give people answers and provide a sense of stability and peace in daily life. Loyal Rue restores that imbalance with a new story based on fact. Rue, author of a New York Times Notable Book of 1994, *By the Grace of Guile: The Role of Deception in Natural History in Human Affairs*, now provides an evolutionary tour recounting our shared epic of evolution.
