Headline Publishing Group, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. New Orleans is under attack from a copycat who is mimicking the crimes of a serial killer who terrorized the streets almost a century earlier. Drusilla Jaco could happily live without the advances of the 200-year-old undead pirate Jean Lafitte, but through him DJ learns the terrible truth: this is no copycat - someone has resurrected the original Axeman of New Orleans. And to make matters worse, the attacks aren't random at all. He's after her. So there's an undead serial killer on her back. A loup-garou who's going loco. The Elders are insisting on magic lessons from the world's most annoying wizard. And former partner - and sometime Neanderthal - Alex Warin has just turned up on DJ's to-do list. DJ is about to discover that life in Louisiana has more twists and turns than the mighty Mississippi.
