With plans to move to North Carolina, she hopes to separate herself from her mother, whose excessive drinking is becoming unbearable. Then suddenly, fate steps in to help her heal in a way she would never think possible. While running a race in Juno Beach, Nina finds herself next to a man whom she is immediately attracted to. Wes Ladner, the same man she dreamt about one year ago. Wes is focused on his writing, and has no time for a woman. But the night before they met, he dreamt of Nina. Although they come from two very different worlds neither of them can deny the sparks that fly between them. As her time runs out to make a decision, Nina wonders if she's been given the chance to come to terms with her past, and accept a gift that some never receive-true love.
