Vintage Publishing, United Kingdom, 2000. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book. This is a seductive and evocative epic on an intimate scale, which tells the extraordinary story of a geisha girl. Summoning up more than twenty years of Japan s most dramatic history, it uncovers a hidden world of eroticism and enchantment, exploitation and degradation. From a small fishing village in 1929, the tale moves to the glamorous and decadent heart of Kyoto in the 1930s, where a young peasant girl is sold as servant and apprentice to a renowned geisha house. She tells her story many years later from the Waldorf Astoria in New York; it exquisitely evokes another culture, a different time and the details of an extraordinary way of life. It conjures up the perfection and the ugliness of life behind rice-paper screens, where young girls learn the arts of the geisha - dancing and singing, how to wind the kimono, how to walk and pour tea, and how to beguile the most powerful men.
