So you just gave notice at the job you have worked almost your entire life that you have decided to retire. But until your last day, the excitement has detoured you from thinking how you would like to spend the remaining time you have here in this lifetime. If you begin to think negatively about what your retirement may have to offer you, then you have come to the right place. Retirement should not be seen as a stage of life that lacks in luster. It should be a time that is seen as positive, uplifting, inspiring and adventurous. While there are challenges that all retirees face in their aging years, there is much more to this stage of life than sitting around in boredom and regret, wishing you had done more while you were younger....
