I.B. Tauris & Co. Ltd. Sep 2016, 2016. Buch. Condition: Neu. Neuware - Andalusia is the quintessence of Spain and yet, historically and culturally, it is utterly unlike the rest of the country. Its literary history began with the Romans and reached an early flowering when Arabic poets drew on centuries of literary tradition, together with the landscapes and passions of Moorish Spain. Later, Prosper Mérimée, Byron and Washington Irving forged legends of exotic southern Spain that persist to this day and Spanish writers themselves captured the rich passions of Andalusian culture, from Cervantes' Seville to the Cordoba of Baroque poet Luis de Góngora and Lorca's 'hidden Andalusia'. With the advent of the Civil War, a new generation flocked to Andalusia and were inspired to write some of the Twentieth Century's most iconic works of literature, from Hemingway's *For Whom the Bell Tolls* to Orwell's *Homage to Catalonia* and Gerald Brenan's *The Spanish Labyrinth*. As vibrant and compelling as the region itself, *Andalusia: A Literary Guide for Travellers* illuminates the very soul of Spain. 288 pp. Englisch.
