

Crystal Clear Report (Dodo Press) (Paperback)

By Johann Gottlieb Fichte

Dodo Press, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Johann Gottlieb Fichte (1762-1814) was a German philosopher. He was one of the founding figures of the philosophical movement known as German idealism, a movement that developed from the theoretical and ethical writings of Immanuel Kant. Fichte is often perceived as a figure whose philosophy forms a bridge between the ideas of Kant and the German Idealist Georg Wilhelm Friedrich Hegel. Recently, philosophers and scholars have begun to appreciate Fichte as an important philosopher in his own right due to his original insights into the nature of self-consciousness or self-awareness. Like Descartes and Kant before him, the problem of subjectivity and consciousness motivated much of his philosophical rumination. Fichte also wrote political philosophy, and is thought of by some as the father of German nationalism. His works include: Attempt at a Critique of All Revelation (1792), Foundations of Natural Right (1796), Characteristics of the Present Age (1806) and Addresses to the German Nation (1808).
