

Live a Financially Healthy Life: Generate Income from Different Sources Be Debt Free Create Wealth Be Financially Secure and Retire Happy (Paperback)

By Eric Julius

iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Live a Financially Healthy Life Most people really want to be rich, healthy and happy. I don't think all these are too much to ask? Do you? This book will give you the straight answers to most of the basic problems facing most people today. If you have financial freedom, you will be able to work less and find time to exercise, meditate, control stress and most of all spend time with your family and love ones - which will surely help you to be healthier and happy. You will feel very happy when you start to see how well you are doing financially. The author outlined some measures you need to take to be rich and happy. He brought many experiences from corporate giants, in financial management, investing, generating income from different sources, creating wealth, how to be debt free, and gain financial freedom, then retire happy into this book. I know you don't want to juggle two to three jobs to make ends meet, which will help you to be able to not only manage your money, but aMake...

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
