Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an identical, but a compacted version (6x9 inches), of the original book published in 8.5 by 11 inches. This book presents the story of Jesus combining all four gospels into one story. The events are presented in chronological order. The book starts with an introduction explaining from God s own word, the two types of evidence that prove the Bible (and no other book) is the word of God. The gospel story comes with great insights (from the Bible itself) into prophecies that were fulfilled and key doctrines or concepts that should be understood by every Christian. The book ends with 14 Appendices explaining from the Scriptures some of those doctrines (Salvation, Sabbath, Kingdom of God, Trinity, Self Righteousness, Tithing, Rapture, and others). All Bible quotations are from the King James Version of the Bible carefully modified by the author to reflect modern English. The feature that makes this book unique is that the individual verses were carefully merged together with each reference included. The specific book, chapter, verse reference brings confidence to readers, and allows for easy verification. After assembling the story from the four gospels in English, the author took the Spanish version of Reina Valera Gomez and assembled it in Spanish. He then compared the results of the two efforts (English and Spanish) and that helped identify a few areas that needed improvement that otherwise, could not be detected through normal editing efforts. As a result, the author is extremely confident in the work presented in this book. You can read the Bible to figure out what the four gospels say about Joseph of Arimathea, or you could read the Assembled Gospel and get it all...
