The American University in Cairo Press. Paperback. Book Condition: new. BRAND NEW, Time of White Horses: A Novel, Ibrahim Nasrallah, Nancy Roberts, Set in Palestine, before the creation of the state of Israel, this lyrical and deftly written novel spans three generations living in the small village of Hadiya. Reaching back into the late nineteenth and early twentieth centuries, the immense history of this period is brought into focus by the very human stories of Hajj Mahmoud, his son Khaled, and grandson Naji. As the cruel hand of history hovers above them, their destinies are shaped by outside forces - first the crumbling Ottoman Empire, then the British Mandate, and finally the Nakba. Nasrallah's elegant and epic tale is one of both suffering and survival, heart-break and hope.
